# 619 Staff Development

## I. Purpose

The purpose of this policy is to establish opportunities for staff development which advance the staff's ability to work effectively with the Graduation Assessment Requirements and with students as they progress to achievement of those Graduation Assessment Requirements and meet the requirements of federal law.

## II. General Statement of Policy

The school district is committed to developing policies and processes for continuous improvement of curriculum, instruction and assessment to ensure effective implementation for the Graduation Assessment Requirements and federal law at all levels.

## III. Standards for Staff Development

- A. The District Leadership Team, District Administration Team and Building Leadership Teams shall address the needs of all staff in prioritizing staff development which will ensure effective implementation of the Graduation Assessment Requirements and federal law at all levels. The Committee will advise the school board on the planning of staff development opportunities.
- B. The school district shall place a priority on staff development including activities, programs and other efforts to implement the Graduation Assessment Requirements effectively and to upgrade that implementation continuously.
- C. Staff development plans for the school district shall address identified needs for Graduation Assessment Requirements implementation throughout all levels of the school district programs.
- D. In service, staff meeting, and district and building level staff development plans and programs shall focus on improving implementation of the Graduation Assessment Requirements at all levels for all students, including those with special needs.

## IV. Elements of the Staff Development Plan

A. Staff development initiatives will be data-driven and specifically directed at increasing student achievement at each school site within the district.

**Fridley Public Schools** is committed to creating a welcoming, respectful environment that provides an equitable and inclusive education for each student, staff and community member by ensuring that opportunities, access, and resources are aligned to support the growth and academic achievement of each student.

A World-Class Community of Learners

- B. Data will be used as a basis to improve instruction and student learning
- C. Research-based programming will be used to improve the effectiveness of classroom instruction.
- D. Programming will align with state and local standards.
- E. Opportunities for collaboration, fostering collegial relationships, and mentoring will be made available.
- F. Staff development programming will align with the district's Teacher Development and Evaluation (TDE) plan and Alternative Teacher Professional Pay System (ATPPS) plan.
- G. Independent tasks or activities that are not associated with building a teacher's skills and capacity will not be considered staff development programming.
- H. The staff development plan will be created with the assistance of an advisory staff development committee and a site professional development team as defined by Minnesota State Statute.

## V. Training and Professional Development

A. <u>Paraprofessionals</u>. The school district will provide each paraprofessional who assists a licensed teacher in providing student instruction with initial training. Such training will include training in emergency procedures, confidentiality, vulnerability, reporting obligations, discipline, policies, roles and responsibilities, and building orientation. Training will be provided within the first 60 days a paraprofessional begins supervising or working with students.

Additionally, with regard to paraprofessionals providing support to special education students, the school district will ensure that annual training opportunities are required to enable the paraprofessional to further develop the knowledge and skills that are specific to the students with whom the paraprofessional works, including understanding disabilities, the unique and individual needs of each student according to the student's disability and how the disability affects the student's education and behavior, following lesson plans, and implementing follow-up instructional procedures and activities.

B. <u>Teachers/Administrators</u>

**Fridley Public Schools** is committed to creating a welcoming, respectful environment that provides an equitable and inclusive education for each student, staff and community member by ensuring that opportunities, access, and resources are aligned to support the growth and academic achievement of each student.

A World-Class Community of Learners

The school district will provide high quality and ongoing professional development activities as required by state and federal laws.
