2020 2021 SCHOOL YEAR

WE ARE FRIDLEY

FRIDLEY STRONG • FRIDLEY PROUD

A Message from Superintendent Dr. Kim Hiel

Welcome Back, Fridley Families!

It is my pleasure to welcome you back to Fridley Public Schools for the 2020-2021 school year! While we are opening schools under challenging conditions, we are grateful for the families and students who have chosen to be a part of our school community. We warmly welcome our Fridley families back to school!

Last year, we started the school year as normal, and closed it under completely unforeseen circumstances. Despite the changes that the COVID-19 pandemic created in our schools and communities last spring, Fridley rose to the occasion and continued to educate and provide services to its students. The district implemented its distance learning initiative and provided learning devices to students, and created learning packets to families who requested them. In June 2020, we held a virtual graduation ceremony where more than a third of our graduating 237 seniors graduated with honors. Throughout the school closure, Fridley provided childcare to children of essential workers and served more than 40,000 meals to students. I am incredibly proud of our hardworking staff who prioritized education and services to students, and made sure that even with a pandemic, our students were taken care of.

We would not be able to do this without the support of our community. This past November, our community overwhelmingly supported the district by passing an operational referendum that provided much-needed funding, allowing the district to maintain its educational and support services for students. We are immensely grateful to our community, and the support it continues to provide to our students, staff and schools. We are on a journey to make Fridley Public Schools the Best Place to Learn and the Best Place to Work, and we would not be able to succeed without the support of our community. Thank you!

The safety and well-being of our students, staff, families and community members is very important to us. As we reopen schools this fall, we want to assure all members of our Fridley family that we will be diligent in following the recommendations from state health agencies to help keep our environments safe. From regularly sanitizing our learning and working spaces, to following required face masks and social distancing mandates, our priority will be to ensure that, as we welcome students and staff back to a new school year, we are doing all we can to prioritize safety. We remain hopeful that in the coming months, we will begin to return to normal as much as possible. We will get through this.

Thank you,
Kim Hiel, Ed. D.
Superintendent

Our Mission:

As a world class community of learners, Fridley Public Schools aims to develop internationally minded students. We challenge ourselves, our students, and our community to become caring and knowledgeable life-long learners who inquire and take action to create a better world.

2020-21 Fridley Public Schools Calendar

In November 2019, the Fridley community voted to approve an Operating Levy Referendum request to support and maintain programs, staffing and student support programs.

Thanks to our supportive Fridley community, Fridley Public Schools has been able to:

- Invest in academic programs to enhance and enrich student learning
- Maintain current class sizes
- Strengthen student support programs including social emotional learning and mental health services
- Support current staffing levels

Programs such as the EMT/EMR program at Fridley High School are crucial for students to learn hands-on skills, gain experiences, and earn career-ready certification!

Adequate staffing levels allow for individual and personalized attention - so all Fridley students can receive the education they deserve!

Did You Know?

Academic programs, like AVID at Fridley High School & Fridley Middle School, further prepares all students for college eligibility and success!

The Fridley Key Club leads in overall achievement within the entire Minnesota-Dakotas District region. This accomplishment was awarded in recognition of total service hours and amount of funds raised.

In addition, members of the club stayed busy with service projects throughout the COVID-19 school closure. Projects included acts of appreciation to local emergency workers, projects for Meals on Wheels, and more!

Fridley Key Club is a student-led, service-oriented club that makes a positive impact by serving others in their school and community. Pictured is the club at the Minnesota-Dakotas District Leadership Conference in March 2019.

FRIDLEY HIGH SCHOOL CLASS OF 2020

Fridley High School proudly graduated 237 students in the Class of 2020 through a virtual commencement ceremony during the COVID-19 school closure.

As the global pandemic prevented an in-person graduation, our graduates were celebrated by teachers and staff as they returned to Fridley High School to pick up their caps, gowns and degrees on May 28. Additionally, the alumni were honored during a Fridley Class of 2020 car parade. Community members, staff and families cheered on the recent grads for a unique and special honorary graduation celebration.

Twelve of our graduates were International Baccalaureate Diploma Programme (DP) candidates - completing the most rigorous course path at Fridley High School and all the requirements of the internationally-recognized IB Diploma.

STUDENT DATA PRIVACY POLICY

It is the policy of the Fridley Public School Board that the District comply with the Federal Family Rights and Privacy Act and Minnesota Government Data Practices Act. Parents/guardians or eligible student has the right to file a complaint with the US Department of Education regarding an alleged failure by the District to comply with federal and state law. A complete copy of Policy 515 Protection and Privacy of Pupil Records is available on the website.

Educational records which identify or could be used to identify a student other than directory information, may not be released to members of the public without the written permission of the student's parents or guardians or the student if s/he is 18, attends a post-secondary institution, is married, or has graduated. This general rule is subject to specific and limited exceptions which are set out in district policy.

Directory Information may be released to the public without permission of the student, parent, or guardian. Directory Information includes: the student's name, date and place of birth, class designation Fridley School District or grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, photograph, and the most recent previous educational agency or institution attended. Directory information does not include data which references religion, race, color, social position or nationality.

It is the practice of district to release educational records to educational institutions to which as student intends to enroll or has enrolled including suspension and expulsion records without notifying the student or parent/guardians prior to the transfer. Upon request, the district will provide the student or guardians with a copy of the educational records which have been transferred and provide an opportunity for a hearing to challenge the content of those records.

If a student or parent/guardian does not want some or all of this data to be made public, they must notify their school principal in writing within 30 days of enrollment. If they choose to deny release of all directory information, the student will be excluded from such published lists as honor rolls, press releases regarding sports achievements, honors received, and athletic/arts/music/theater/academic printed and electronic programs/publications. A request to deny release of information must be requested in writing each year.

2020-2021 ANNUAL REPORT ON CURRICULUM AND INSTRUCTION AND STUDENT ACHIEVEMENT

The Fridley Public Schools annual World's Best Workforce (WBWF) Report will be available on our website on November 1, 2020. The report includes a review of student achievement, curriculum development, school improvement, and staff development. If you would prefer to have a copy of this report mailed to you, please contact the Department of Teaching and Learning at 763-502-5005.

If you have any comments or questions about the report or are interested in providing input and feedback on the goals, strategies and progress of the District's World's Best Workforce plan, please contact the Director of Teaching and Learning at 763-502-5005. Notice of WBWF public hearings will be posted on the school website.

Congratulations FRIDLEY HIGH SCHOOL *Graduates!*

Although our Class of 2020 graduates could not have a traditional commencement ceremony due to the COVID-19 pandemic, their legacy will live on for decades. Families, staff and community members celebrated and cheered on the new alumni at the Class of 2020 Car Parade on June 4! Fridley Public Schools would like to recognize the parent-led "Senior All Night Party" Committee for organizing this celebratory event for our seniors!

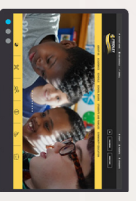

Did You Know?

At Fridley High School, students can concurrently take classes to earn college credit! Eight Class of 2020 Fridley High School alumni graduated with their Associate's Degrees!
