Dear Families,

We hope that you are well during these challenging times. MIGIZI has been working in partnership with American Indian Education at your school district this year. We want to ensure that we can be a resource for your children in new and different ways at this time. Some parents have heard about the district partnership with MIGIZI through the school district or from your children. We support your children in academics, culture, field trip opportunities and leadership through our in-school and after school programming. MIGIZI also offers job training and internship programs through Green Jobs Pathway and First Person Productions throughout the school year and summer.

MIGIZI staff are continuing to work remotely and provide online cultural and open topic groups, check-ins, and academic support while students are distance learning. This is an opportunity to meet all the staff of MIGIZI and visit with other American Indian youth from across the Minneapolis, Saint Paul, Fridley, Farmington and Hopkins districts. LeVi Boucher will continue to be your point of contact with your schools. She can be reached at LeVi@migizi.org.

Due to our work on-site at schools, many of our youth are not enrolled to receive communications from MIGIZI outside of the district platforms. Please register so that you receive information about our programs on a regular basis.

Please visit our link to register your children with MIGIZI. <https://www.migizi.org/program-registration>

Visit our Education, Leadership and Culture Page to explore our current offerings or view the list below: <https://www.migizi.org/elc>

We look forward to continuing to support your children in providing cultural and educational support.

In partnership,

Kelly Drummer, LeVi Boucher, Tedi Grey Owl, Jane Zamora and Alisha Carr

ACADEMIC SUPPORT

We understand the challenges in bringing face-to-face, educational help to youth these days. Rest assured, we're bringing it to you!

Homework Help: Monday - Thursday 2:00PM - 4:00PM

Brian: Intermediate Algebra, Advanced Algebra, Geometry, Calculus 1-4, Earth Science, Chemistry, Physics and Biology

[Join Brian Here](#)

bdragonfly@migizi.org

Alisha: ELA, Social Studies, Algebra I, Algebra II

COMMUNITY BUILDING

Building relationships and connections is what we strive to do, quarantined or not! We at MIGIZI push forward with opportunities to foster our local community.

Open Talks: Tuesday and Thursday @ 4:00PM - 5:00PM

[Join Open Talks Here](#)

Dialogue with us on what's happening during your life and engage in online activities! We have numerous discussion points, ideas, and relational topics

CULTURAL SUPPORT

We're engaging youth culturally in a way that drives life skills, passion, and curiosity.

Medicine Mondays: Mondays @ 4:00PM - 5:00PM

[Join Medicine Mondays Here](#)

Medicine Mondays will offer discussions on medicine and plant origin stories, their environment, how to identify them, recipes, and multiple ways of use.

Cooking with Jane: Wednesdays @ 4:00PM - 5:00PM

[Join Cooking w/ Jane Here](#)

Join Jane as she takes you into a taste-bud paradise. Learn to cook new recipes and explore your cooking talents in this relaxed, yet lively segment!
