

FRIDLEY PUBLIC SCHOOLS ONLINE ACADEMY

2021-22 SCHOOL YEAR

Fridley Public Schools Grade 7-12 full online experience

Flexibility, Opportunity and Access

Middle & High School Students in Grades 7-12 - Open to any student in Minnesota

INDIVIDUALIZED LEARNING

- Highly individualized online learning program to fit the unique learning needs of each student
- Easily accessible learning model that allows students to learn at their own pace from anywhere
- All courses offered are aligned with Minnesota Academic Standards
- We offer the second languages of Spanish or Chinese
- Many electives to choose from, and opportunity for students to access specialized courses in-person (Choir, Band, Woodworking, EMT/EMR)

INSTRUCTIONAL SUPPORT AND MENTORING

- Every student has a teacher mentor who supports the individual learning needs of the student
- Learning supported by licensed Fridley Public Schools teachers
- Support provided for students who participate in special education, English Learners and students who have 504 plans
- Learning device provided to each student, and technical support is also available

FLEXIBLE SCHEDULE

- Flexible schedule that meets the individual needs of each student
- Ability to Google Meet with teachers regularly
- Access to content specialists

ACCESS TO SCHOOL-BASED ACTIVITIES AND SUPPORT SERVICES

- Opportunity to participate in co-curricular activities in person
- Staff builds high level supportive relationships with students that help them grow and thrive
- Support services are available to students as needed
