

509P Enrollment of Non-Resident Students Procedure

I. Enrollment of Non-Resident Students Procedures

A. Class Size

Class sizes shall be determined so as to offer the best possible educational opportunity to students, yet so constituted as to assure maximum potential service from each staff member. Therefore the following shall apply:

1. Preferred Class Ranges:

Kindergarten	20-24
Grades 1-2	21-25
Grades 3-4	24-28
Grades 5-8	30-34
Grades 9-12	31-35
2. Maximum class size may be exceeded up to 10% where special or unusual conditions exist.
3. Except in large group activity type classes, such as band, choir, and physical education, the total number of students under any individual teacher's supervision shall not exceed 150 unless special or unusual conditions exist.
4. Classes shall not be offered when less than 15 students are enrolled in a class. Exceptions may be made by the principal for continuous program considerations or academic program improvement.

In the event of unforeseen circumstances and/or financial difficulties, the targeted numbers may be exceeded with School Board approval.
