School District Plan to Survey Students - 2019 Minnesota Student Survey

Fridley Public Schools will ask students in grades 5, 8, 9 and 11 to participate in the Minnesota Department of Education's 2019 Minnesota Student Survey (MSS). Federal law requires us to notify parents of this school activity. Every three years, the MSS is conducted in schools across Minnesota.

Questions on the survey are about many topics relating to young peoples' lives. The survey asks about how well school is going, future plans, out of school activities, physical and mental health, relationships, and more. The information helps communities and schools develop effective programs and provide better services.

This survey is anonymous. To prevent individuals or families from being identified, students do not provide their names, student identification numbers or other personal information.

Date(s) that Fridley will administer the Minnesota Student Survey (MSS): **February – March, 2019**

If you have questions about the survey, please contact: **Your child's school principal**

You have the right to review a copy of the survey. For details on how to do this, please contact:
