

807P Health and Safety Procedures

I. Health and Safety Plans and Procedures

The District will implement a Health and Safety Program that includes plans and procedures to protect employees, students and visitors. The objectives of the Health and Safety Program will be to:

- A. Assign responsibilities for implementing and maintaining the program;
- B. Establish a joint labor/management District safety committee with representatives from each building;
- C. Establish procedures for identifying, analyzing, and controlling hazards;
- D. Establish procedures for investigating accidents and near misses to prevent reoccurrence;
- E. Establish procedures for communicating hazards and controls to employees;
- F. Establish procedures for training employees on safe work practices;
- G. Establish procedures for enforcement of workplace safety rules; and
- H. Establish procedures for maintaining compliance with federal, state, and local requirements.
