Welcome to the Fridley public Schools School Board Meeting. In the interest of open communications, the Fridley School District wishes to provide an opportunity for the public to address the School Board. That opportunity is provided at every regular School Board meeting during the Public Forum.

1. Anyone indicating a desire to speak about a matter on the Board's agenda during the Public Forum will be acknowledged by the Board Chair. When called upon to speak, please state your name, address, and topic. All remarks shall be addressed to the Board as a whole, not to any specific member (s) or to any person who is not a member of the Board.
2. If there are a number of individuals present to speak on the same topic, please designate a spokesperson who can summarize the issue.
3. Please limit your comments to three minutes. Longer time may be granted at the discretion of the Board Chair. If you have written comments, the Board would like to have a copy, which will help them better understand, investigate, and respond to your concern.
4. Attacks against individuals, programs or groups by anyone addressing the Board are unacceptable and will terminate the person's privilege to address the Board. Due to data privacy laws referring to an individual by name will be ruled out of order. Speakers unwilling to abide by the rules or time constraints will be asked to stop.
